

Anthony Koutoufides

LIMITED EDITION PRINT

For thousands of years kings and emperors have commissioned portraits of their great generals, gladiators and warriors.

The Carlton Football Club is continuing this tradition of honour.

The Club has commissioned renowned sporting artist, Jamie Cooper, to immortalise one of our greatest: Anthony Koutoufides.

Cooper's extraordinary portraits have seen collectors dig deep to own a piece of history. Champions such as James Hird and Robert Harvey have fetched figures of \$61,000 and \$67,000 respectively.

The Anthony Koutoufides Testimonial on Sunday, August 19 will see one lucky bidder earn the chance to own this very prestigious historical piece.

LIMITED EDITION PRINT

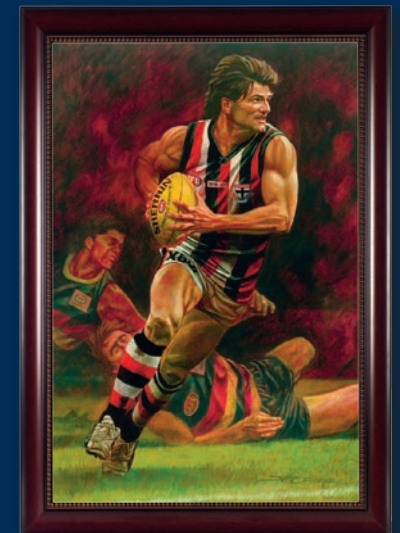

The Club will also give 43 supporters a chance to claim their own special part of this tribute. There will be 43 Limited Edition Fine Art Prints reproduced from the painting. Of these number 1 of 43 will be raffled and number 43 of 43 will be auctioned at the Testimonial.

43 only will be produced - making this one of the most exclusive Limited Editions available.

Presented on the highest quality fine art archival paper, each print will be signed by Anthony Koutoufides and the artist. The print is also protected by the asset security device, A-Tag, and each marked with a synthetic DNA sample to protect your investment.
